James Balch and Mark Stengler, coauthors of the hugely successful Prescription for Natural Cures, and Robin Young Balch have teamed up to create the most comprehensive and up-to-date book available on natural alternatives to prescription medications. The book provides natural, safe, and effective ways to treat a wide range of common ailments, including ADHD, allergies, diabetes, depression, erectile dysfunction, eczema, heart disease, headaches, and PMS. You'll read in-depth information, not found in any other popular book, about the pros and cons of prescription and over-the-counter drugs compared with natural treatment alternatives ranging from diet and lifestyle changes to supplements and herbal medicines.
